HARYALI GRAMIN VIKAS

ABOUT US

Haryali Gramin Vikas is a grassroots initiative committed to uplifting rural livelihoods by combining traditional wisdom with modern innovation. From affordable online & offline educational packages to empowering farmers with goat farming, cow farming, vermi composting, and light services — we aim to build a self-reliant, sustainable, and prosperous village economy. Our programs focus on employment generation, organic practices, and eco-friendly development, nurturing every village into a model of progress.
